**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a user of Sonic for over a year and I love it. Please Stop big telecommunication companies from manipulating the market. Its time to embrace change and not go back to the dark ages. We want quick and stable access to the internet like people from other modern economies do. It creates efficiency and boosts productivity.

Thank you for listening to our voices.
